Povlačive bioklimatske pergole Tivoli mogu prilagoditi sjenčanje na vašoj terasi zahvaljujući svojim potpuno automatskim pametnim lamelama. Nudi potpunu zaštitu od direktne sunčeve svjetlosti, omogućavajući sunčevu svjetlost po želji i potpuno otvaranje. Omogućava regulaciju prirodne temperature okoline kada se otvori i stvara potpuno zatvoreno vodootporno okruženje kada je u potpunosti zatvorena.

Idealan je izbor za upotrebu u hotelima, privatnim kućama, rezidencijama, restoranima, barovima i prostorima za zabavu svjetske klase. Nudimo različite varijacije prema vašim potrebama. Moguće je prilagoditi je arhitekturi vašeg postojećeg prostora ili samostalno. Poseban dizajn koji za jednostavnu instalaciju omogućava da se sklop montira za samo jedan dan. Korištenje aluminijuma i nehrđajućeg čelika, pruža dugogodišnju otpornost na sve vremenske uslove.

Pružna fleksibilnost u stvaranju ugodnog životnog prostora na otvorenom integrirajući se s drugim inovativnim i jedinstvenim Luxal proizvodima. Uravnotežuje vašu unutarnju temperaturu zadržavajući vani hladnoću i vjetar.

Tivoli Retractable Bioclimatic Pergolas can adjust the shading on your terrace thanks to their fully automatic smart fins. It offers full protection from direct sunlight, allowing as much sunlight as desired and full opening. It enables the regulation of the natural ambient temperature when opened, and creates a fully enclosed water-resistant environment when fully closed.

It is the ideal choice for use in hotels, private homes, residences, restaurants, bars and world-class entertainment venues. It offers different variations according to your needs. It can be adapted to the architecture of your existing space or independently self-supporting installation variations can be provided. Its special design that provides ease of installation allows the assembly to be completed in just one day. With its aluminum and stainless-steel material, it is resistant to the adversities of time for many years.

It provides the flexibility to create a comfortable outdoor living space by integrating with other innovative and unique Luxal products. It balances your indoor temperature by keeping the cold and wind out.
